

SOFEMA PROVIDES MATERIAL SUPPORT TO THE REPUBLIC OF CONGO

Press release

Levallois-Perret, 26th February 2015 - SOFEMA, general contractor of global solutions including supply of Defence equipment and related services, was asked by Sovereign Global Services to provide materials for the Republic of Congo which equips its forces in the context of MINUSCA, a mission under UN mandate in the Central African Republic.

MINUSCA was tasked to facilitate support to the transition process, the distribution of humanitarian aid, the promotion and protection of human rights, support for justice and the rule of law.

The rolling stock supplied by SOFEMA (armored vehicles, ambulances and transport and support vehicles) are intended to equip an infantry battalion and a police unit. Thus constituted, the fleet represents more than 250 vehicles. While the first removals took place late February, it will be fully delivered during the first half of 2015. SOFEMA has optimised its production site and teams to meet qualitative and quantitative challenge.

SOFEMA has demonstrated once again its expertise, its responsiveness to operational emergencies, and the relevance of its solutions.
