

SOFEMA TO EXHIBIT AT EUROSATORY 2018

Exterior Pe 6a - stall B371

News release

SOFEMA will attend Eurosatory 2018, the largest international Land & Airland Defence and Security defense exhibition, which will take place from on June 11th-15th 2018.

Levallois-Perret - May 24, 2018 - Eurosatory gathers, every two years in Villepinte, key players in the Defense and Security industry. Eurosatory is a leading event in the industry and welcomed in 2016 1,571 exhibitors from 57 countries. This year again, industrials, professionals and official delegations interested in discovering the latest technological innovations are expected to attend the event.

SOFEMA, leader in the specialist field of land, sea and air product-sourcing and support, continues to expand its activities, providing customers around the world fully overhauled and adapted equipments. Strong of its export success, SOFEMA will present at the event a number of vehicles and equipment (including AML90 - NG / VLRA - HADES20 / ERC90). "Eurosatory is a unique platform for talks as well as a key meeting point for the defense industry's suppliers and buyers. SOFEMA is proud to participate in this event where the defense and security of tomorrow are being shaped as well as strengthen France's influence abroad", says Guillaume Giscard d'Estaing, President of SOFEMA.

Eurosatory will take place at Parc des Expositions Paris Nord Villepinte. SOFEMA will welcome its customers on its booth located outdoor, Pe 6a - No. B371.
